

Opportunities for Students in St. Petersburg

The U.S. Geological Survey

The U.S. Geological Survey (USGS) offers diverse employment opportunities for students in biology, hydrology, computer science, cartography, geology, science journalism, graphic arts, administration, and many other fields.

To learn about job opportunities for students within the USGS, check the website: www.usgs.gov/ohr/student.

To apply for jobs within the USGS, use the website: www.usajobs.com.

For questions, contact—Ann Tihansky, 727-803-8747 x3075 tihansky@usgs.gov.

Florida Integrated Science Center-St. Petersburg (FISC-SP)

Volunteering

What a great way to build up your resume and learn new skills! We have many opportunities to volunteer at FISC-SP. For information about volunteering, contact—Pat Mullan, 727-803-8747 x3003.

College Students

Our Center has programs for both undergraduate and graduate students, including paid hourly employment, internships, and research assistantships.

For more information, contact—Ann Tihansky, 727-803-8747 x3075 tihansky@usgs.gov.

For students from Eckerd College contact—Chris Reich 727-803-8747 x3032 creich@usgs.gov.

For students from the University of South Florida contact—Ilsa Kuffner 727-803-8747 x3048 ikuffner@usgs.gov.
